Congratulations by the way on your position with the State; best wishes always.

I had a question about the new IBHS regulations and thought you might be able to answer. On page 37 (section 5240.23 (c)) of the new regs, it refers to "Home and Community" as permissible places of service, but "School" wasn't also included. I'm assuming that was either a typo or that School is presumed as another "Community" setting not requiring a separate designation.

Can you look into that and let me know if the regs at 5240.23 (c) intend to exclude School as a permissible place of service for IBHS?

Thanks.
See you at the MHPC next time.
Steve
