Hi Tara Pride,

Thanks for the quick reply. I want to add one addition to my comments. Please add the below paragraph:

"The regulations suggest 9 BHT to one clinical supervisor. I think this is unnecessarily restrictive in the sense that a supervisor can easily do two groups of six and thus have 12 functioning BHTs under his/her guidance. I would suggest ti be switched to 12 FTEs."

Thanks for taking the time to read my letter.
