Subject: IBHS Regulation No. 14-546

I'm writing to express my objection to new lower supervisor standards:

1. A bachelor's degree
2. 4 classes in ABA
3. 6-months experience in ABA
4. Two hours a month of supervision by a BCBA

Lowering standards to increase access to services is going to result in harm to kids. The number of children with ASD are increasing and PA needs more highly qualified people to work with them.
