Subject: IBHS Regulation No. 14-546

Dear Sir or Ma'am,

I am writing to you to express my opposition to IBHS Regulation No. 14-546 as currently drafted. As the parent of a child with autism who received Applied Behavior Analysis (ABA) therapy in Pennsylvania, I strongly object to the proposed changes, which would lower the standards of certification for ABA providers. It is critical and non-negotiable that ABA professionals have the proper credentials, and that our children have access to quality ABA therapy. Please consider and incorporate the recommendations made by the ABA in PA Initiative when voting on this legislation. Thank you.

Sincerely,

Elisabeth G. Crooks
