Independent Regulatory  
Review Commission

Good day,  
We are currently a provider of BHRS in Venango county. Our practice is interested in obtaining an IBHS license (we are currently under the license of 2 psychologists) but the proposal doesn't make clear what the qualifications are for the IBHS license. Can you please share some information about this process?  
thank you,  
Jay McLeod  
Director,  
North Star Behavioral Health Services, LLC
