Subject: Raw Cheese Comments

Hello,
My name is Jessica and I am a Dairy Grazing Apprentice at Harneau Farm in Belleville, PA (Mifflin County.) I am writing to encourage legislators to allow more types of raw milk cheese to be made in PA. I am a first-time farmer and beginner cheese maker. Being able to make more types of raw cheese would generate much needed income for our small grass-fed dairy farm. Thank you for your time and consideration.

Jessica in Mifflin County
