Hello,

Just wish to express my extreme prejudice against DEP's proposal to increase permit fees for NPDES/WQM. Farmers can barely make a living now and DEP just keeps making it worse. I don't mind paying for a good or service but for them to charge farmers for absolutely nothing is just wrong! I wish President Trump would disband DEP...farmers across the state of PA would rejoice and have a party. I know because I am one.

Thanks,
