To whom it may concern,

As a farmer and a PA Farm Bureau of Erie County board member I STRONGLY OPPOSE this fee increase from \$1500 to \$3000 for NPDES. When the government charges a fee for something as fundamental as water use, it is as if the government is stealing our rights and selling them back to us. Our farmers are having a hard enough time earning a living in our current regulatory environment. Please don't make it worse.
