**To whom it may concern:**

My comments are in regards to DEP's proposed changes to NPDES/WQM permit fees.

I am opposed to these fees, as it puts an added burden on farmers in PA when farmers are already struggling. Farmers are already being forced to make unpleasant choices as they try to make ends meet. These fees would add a tremendous burden that directly affects our bottom line with no way to recoup or pass them on. If you want to keep farming strong in PA please do not pass these burdensome fees on to us.

Thank You,  
John Huber
