Dear Board—

As a farmer, we feel the need to respond ~~to~~ to the price hikes you are proposing. We do have a CAFE farm so this will effect us directly.

In manufacturing, you can pass this increase on ~~to~~ to the cost of your product, a farmer can not do that. As a farmer we are paid whatever the market is, whether that covers our cost or not.

This increase would be a burden to a farmer who already has a low profit margin.

We do not favor passing this bill!

Respectfully,
