Environmental  
Quality Board

Don writing regarding NPDES  
permits for state water quality  
management.

Farmers are encouraged to do  
practices which will protect water  
quality. Farm operation (CAFO) which  
are under financial stress will be  
discourage to do practices with  
increases from \$1,500 to \$3,000.00,  
they will also be discourage to  
build manure storage structure  
with permits doubling up to \$2,500.00  
per permits at \$4,500.00, instead  
of pure price gouging.
