Dear Ms. O'Malley,
I oppose regulation #16a-4633 .Please tell
Me who is going to be diagnosing oral pathology .
The visit to a hygienist with out a dentist
Exam will give families a false feeling of
Security. If you think the already over worked
Physician is going to make this a more
Legitimate proposal I fear you are mistaken.
I look forward to your response ,
Yours,
Carl Horchos DDS
