**Subject:** Comment received - Proposed Rulemaking: Revision of the Maximum Allowable Sulfur Content Limit for No. 2 and Lighter Commercial Fuel Oil

**Re: eComment System**

**The Department of Environmental Protection has received the following comments on Proposed Rulemaking: Revision of the Maximum Allowable Sulfur Content Limit for No. 2 and Lighter Commercial Fuel Oil.**

Commenter Information:

Richard Wisser  
Morris E. Wisser Coal & Fuel Oil, Inc. (wisseroil@yahoo.com)  
1829 Pope Road  
Allentown, PA 18104 US

---

Comments entered:

Would it be possible to not only lower the sulfur to 15 ppm but make it a blend with B2 bio diesel. Wouldn't that make it easier for both the terminals and delivery companies, like myself, to be able to deliver the same product for off road diesel and home heating oil?
