Dear Mr. Shenk,

I hope you are doing well and coping ok with the present conditions we are working under.

I am in full support of eliminating the Registration Weight Class Stickers.

I believe this would be a great leap forward for the Commonwealth saving the costs of the stickers as well as the owners of the vehicles that presently require them.

I supported the PMTA's Legislative Committee back in 2015 when they voted to make eliminating these useless stickers one of PMTA's goals.

Stay safe stay healthy,

Thank You
