Regulation No. 125-229 (#3261)
Pennsylvania Gaming Control Board
Interactive Gaming

On July 16, 2020, the Independent Regulatory Review Commission (Commission) received this proposed regulation from the Pennsylvania Gaming Control Board (Board). This rulemaking amends 58 Pa. Code Sections 801a – 817a, 830a. The proposed regulation was published in the August 22, 2020 *Pennsylvania Bulletin* with a public comment period ending on September 21, 2020. The final-form regulation was submitted to the Commission on March 23, 2021.

This regulation establishes the regulatory oversight structure for the conduct of interactive gaming in the Commonwealth by providing the authorized Category 1, 2, and 3 slot machine licensees the opportunity to petition to offer interactive gaming which simulates slot machines, table games, and poker.

We have determined this regulation is consistent with the statutory authority of the Board (4 Pa.C.S. § 13B02) and the intention of the General Assembly. Having considered all of the other criteria of the Regulatory Review Act, we find promulgation of this regulation is in the public interest.

BY ORDER OF THE COMMISSION:

This regulation is approved.

George D. Bedwick, Chairman
