Subject: PA State Board of Pharmacy proposed regulation #16a-5429 "Administration of Injectable Medications, Biologicals and Immunizations." (IRRC #3272)

The proposal noted above was recently delivered to the Independent Regulatory Review Commission and the designated standing committees of the PA General Assembly for review and comment. Your organization might have an interest in it.

The proposal was also published in the October 24, 2020 edition of the *PA Bulletin*. Attached is a link to the publication - <https://www.pacodeandbulletin.gov/Display/pabull?file=/secure/pabulletin/data/vol50/50-43/1450.html>

A copy of the rulemaking can also be obtained from IRRC's website – www.irrc.state.pa.us.

The rulemaking has a 30-day public comment period that closes on November 23, 2020. Instructions for submitting comments to the Board can be found in the links above. Please note that comments submitted on rulemakings are considered public documents and will be posted to IRRC's website.

IRRC's comments on the proposal are due to the Board on December 23, 2020.

Please contact me if you have any questions.
