SUPPORT FOR Proposed Rulemaking CO2 Budget Trading Program

Dear :

To Whom It May Concern: I write in SUPPORT OF Governor Tom Wolf's proposed regulation, CO2 Budget Trading Program as published in the Pennsylvania Bulletin on November 7, 2020 (50. Pa.B. 6212), which will join Pennsylvania to the Regional Greenhouse Gas Initiative (RGGI). I urge the Independent Regulatory Reform Commission (IRRC) to APPROVE Governor Wolf's proposed RGGI tax. RGGI has been tested and is a demonstrated success in nearly 10 other states representing a substantial share of our nation's population. RGGI has brought economic development and infrastructure modernization in addition to supporting cleaner air for all and reduced carbon pollution. I AM A REPUBLICAN VOTER, AND I WANT TO SEE PENNSYLVANIA JOIN RGGI. Thank you for considering my comments. Please APPROVE the RGGI tax regulation and protect BOTH the jobs of thousands of Pennsylvanians AND THE FUTURE OF OUR COMMONWEALTH.

Best regards,
