Dear DEP Regulatory Comments,

Please, DEP, finalize the proposed rulemaking to allow Pa. to participate in the Regional Greenhouse Gas Initiative (RGGI) beginning in January 2022.

Pa. has the 5th-dirtiest electric power sector in the country, and this sector is responsible for roughly one-third of Pa.'s greenhouse gas pollution. As a globally significant polluter, Pa. must reduce its emissions and combat climate change. Linking with RGGI would be a monumental step in the right direction.

Respectfully,

Sincerely,
