Please stop with trying to implement "The Green New Deal" . This is nothing more than increasing TAXES on every Pennsylvanian. Look at how many are currently moving out of this "Commiewealth" due to Governmental overreach. If , you people keep this up you'll have no tax base to collect from, its hard to get tax money from those on welfare, and will turn Pennsylvania into California. I'm seriously considering selling and moving out of this Commiewealth, myself. Stop with the constant taxation.
