**Re: eComment System**

The Department of Environmental Protection has received the following comments on Proposed Rulemaking: CO2 Budget Trading Program (#7-559).

Commenter Information:

Barbara Beale
PA resident and citizen of the Unites States (bealebarbara@hotmail.com)
150 Spohn Road
Freeport, PA 16229 US

Comments entered:

I oppose Pennsylvania joining RGGI. By joining it will put a lot of people out of work and it will cost more in taxes for the residents of PA. It is my understanding that PA has vast resources of coal and the Marcellus gas wells....Why is it necessary to abandon these resources and cost jobs for the people of PA?

Thank you for considering my opinions.

Barbara L Beale
