**Re: eComment System**

The Department of Environmental Protection has received the following comments on Proposed Rulemaking: CO2 Budget Trading Program (#7-559).

Commenter Information:

Gary Walls
(gcwalls9209@gmail.com)

, PA US

Comments entered:

We need to get rid of the deadly pollution that is killing all of us, Johnstown has the worst air in the country. I would also add the high rate of birth defects near the Shelocta Station will go down in the near future. I feel we have had enough.

PS I have COPD. I approve of Our RGGI entry.

Thank you
