Blue Bell, PA 19422 US

Comments entered:

I am writing this comment as a high schooler because climate change is especially important to me as it will impact myself and my future. RGGI will help PA reduce its greenhouse gas emissions by 80% by 2050 and ensure future generations of PA a clean earth, this is why I support RGGI

No attachments were included as part of this comment.

Please contact me if you have any questions.

Sincerely,
Jessica Shirley
