Re: eComment System

The Department of Environmental Protection has received the following comments on Proposed Rulemaking: CO2 Budget Trading Program (#7-559).

Commenter Information:

Rhonda Monahan
(rmonahan@windstream.net)

, PA US

Comments entered:

Please JUST SAY NO to the RGGI Proposal!

Pennsylvania would be the only major energy-producing state in this compact, and the resulting carbon tax on employers engaged in electric generation would cost thousands of jobs and drive up energy costs for households.

People are already hurting and struggling financially, this would just exacerbate the current issues.

Please just say NO to RGGI!

Thanks!
