Northern Cambria, PA 15714 US

---

Comments entered:

The person whom we refer to as Governor of Pennsylvania has made empty promises to protect my job as a union member of IBEW local 459, and is now ignoring the business manager of said local for discussion of the economic impacts that Rggi would bring to Western Pennsylvania. These acts are cowardly and unbecoming of a governor, regardless of what party that you represent. The RGGI concept is not good for Pennsylvania and I strongly oppose it.
