I am opposed to this because of the jobs that will be lost & schools that will be closed. This will ruin our area. Students will be displaced & families are moving out of the state. How can you think this is a good thing . I have heard the environmental people are all for this & they don't even live here. They don't care about the people that have to live here. Shame on Wolfe for not being a part of a discussion with the people he is supposed to be serving to get their take on this. Yes, i am TOTALLY OPPOSED TO THIS REGGIE BILL! REMEMBER THE LITTLE PEOPLE!
