To whom it may concern:

I urge PA lawmakers to join in the noble efforts of the surrounding states in reducing greenhouse gases and improving the environment. This is essential not just for us, of course, but for the future of our region and indeed the planet!

A collaborative effort is especially welcome in these days of division and rancor. There is no reason I can imagine that Pennsylvania would not join this initiative, as it has numerous benefits and no downside.

Thank you for considering,

Jessica Jopp
