## **FORM LETTER 17: "PA Success With RGGI"**

Proposed Rulemaking: CO<sub>2</sub> Budget Trading Program (#7-559)

I am writing in support of Pennsylvania joining the nation's most successful program to fight climate change, the Regional Greenhouse Gas Initiative. It's crucial that we take steps today to reduce emissions here in Pennsylvania if we're going to prevent the worst impacts of the climate crisis, and joining this successful bipartisan program puts us on the right path.
