Pittsburgh, PA 15222 US

Comments entered:

Pennsylvania has an opportunity to take real action on reducing air pollution through this program and we need to seize it. We have some of the worst air quality in the country here in wester Pennsylvania. COPD is a leading cause of death in this country and we must do better for ourselves, parents and children of Pennsylvania.

No attachments were included as part of this comment.

Please contact me if you have any questions.

Sincerely,
Jessica Shirley
