**Re: eComment System**

The Department of Environmental Protection has received the following comments on Proposed Rulemaking: CO2 Budget Trading Program (#7-559).

Commenter Information:

Suzanne Broughton
(sbroughton@macconnect.com)
400 Cumberland Woods Dr Apt 431
Allison Park, PA 15101 US

Comments entered:

I support Pennsylvania becoming part of RGGI. If we don't use this process to reduce carbon dioxide, nitrogen and sulfur dioxide emissions, history will surely record our lack of action as a serious missed opportunity. The effects of climate change are going to be with us for a long time. It is our obligation to future generations to try in every way possible to reduce the impact of climate change. Please use this opportunity to take real action.

No attachments were included as part of this comment.
