Comments entered:

I am writing in support of RGGI! As a citizen of PA, I would like to add my voice to those requesting more legislation steering us towards a cleaner and healthier future. Being from Pittsburgh, where the air quality can be some of the worst in the country, it is so clear that changes need to be made for the health of humans living here as well as our larger environment. We want cleaner air! We want cleaner rivers! We want cleaner soil!

No attachments were included as part of this comment.

Please contact me if you have any questions.

Sincerely,
Jessica Shirley
