West Homestead, PA 15120 US

Comments entered:

I totally support the CO2 Budget Trading Program. I live close enough to the Clairton Coke Works to have been directly - negatively - impacted by the excessive discharge of pollution. It has been so bad that I've woken up in the middle of the night due to smelling suffer in my completely closed house.

I would like to see even more strident measures taken to improve the air we all breathe.

No attachments were included as part of this comment.

Please contact me if you have any questions.

Sincerely,
Jessica Shirley
