Smicksburg, PA 16256 US

Comments entered:

This is going to hurt the Pa rural economy. Tax revenue from coal power plants are crucial for our schools especially during this transition time in education where schools need as much help as possible. Governor Wolf is over stepping his authority. We do not need to pay any more for our power. This is just going to push good jobs to Ohio and West Virginia. Rural Pa is already hurting enough we don't need anything else.

No attachments were included as part of this comment.

Please contact me if you have any questions.

Sincerely,
Jessica Shirley
