**Re: eComment System**

The Department of Environmental Protection has received the following comments on Proposed Rulemaking: CO2 Budget Trading Program (#7-559).

Commenter Information:

Kent James
(kjames196@comcast.net)
88 Lemoyne Ave
Washington, PA 15301 US

Comments entered:

This program should be approved. Global climate change is a very real problem that is having catastrophic effects, and will only get worse. We should have done this decades ago. Cap and trade ensures a reduced rate of carbon emissions, and allows the market to find the most efficient way to achieve this goal.

No attachments were included as part of this comment.

Please contact me if you have any questions.

Sincerely,
Jessica Shirley
