Re: eComment System

The Department of Environmental Protection has received the following comments on Proposed Rulemaking: CO2 Budget Trading Program (#7-559).

Commenter Information:

Derek Hensley
 Ben's Courier (ddtransport@fairpoint.net)

, PA US

Comments entered:

This would be a terrible move for PA , and is based in little to no fact. We want affordable energy, and energy independence. Green energy provides neither of these. We can't afford to further destroy important industries like gas , oil and coal. Most importantly this is also COMPLETELY UNCONSTITUTIONAL! A governor should not be able to unilaterally impose something of this magnitude!! It's a disgrace and an embarrassment how corrupt this state has become.

No attachments were included as part of this comment.

Please contact me if you have any questions.

Sincerely,
 Jessica Shirley
