Comments entered:

I support Pennsylvania's joining the RGGI. Green jobs are the future, and we need to get in on this NOW. Pennsylvania law states that we citizens have a right to clean air and water. Let's ALIGN everything we do in our Commonwealth to achieve these two universal goals of health and financial security. They are not at odds with each other.

No attachments were included as part of this comment.

Please contact me if you have any questions.

Sincerely,
Jessica Shirley
