Re: eComment System

The Department of Environmental Protection has received the following comments on Proposed Rulemaking: CO2 Budget Trading Program (#7-559).

Commenter Information:

Jakes Jacobson
(jakesvw.jj@gmail.com)

, PA US

Comments entered:

I'm all for environmentally friendly ways of cutting emissions or CO2
But joining a multi state consortium, and splitting the tax revenue 13 ways seem counter productive.

Why let other states without the resources PA has reap any benefit of taxing our coal plants out of business?

Start PAs own program and fund replacement programs for the jobs that will suffer in already burdened communities with the carbon tax revenue.

Keep PA jobs and resource revenues here in PA to work for us.

No attachments were included as part of this comment.

Please contact me if you have any questions.

Sincerely,
Jessica Shirley
