I oppose any program that will increase taxes on individuals, especially during this COVID pandemic we have all gone through. People have lost jobs, businesses are not making enough profit with limited customers to pay their staff and rent, and I'm sure there will be other proposals for additional tax to pay for all of the State's programs that were implemented during this pandemic (like welfare for people laid off, financial assistance to restaurants, etc). Please, NO NEW TAXES. Thanks You.
