Danville, PA 17821 US

Comments entered:

At this time participating in a cooperative such as RGGI would be detrimental to the residents of our state. We would be at a disadvantage in comparison to our neighboring states since our electricity rates would escalate so much that many of us would be strapped with additional costs just to heat and light our homes. There are already thousands of people who have difficulty paying their electrical bills and to saddle them with more restrictions is just overkill!

No attachments were included as part of this comment.

Please contact me if you have any questions.

Sincerely,
Jessica Shirley
