**Re: eComment System**

The Department of Environmental Protection has received the following comments on Proposed Rulemaking: CO2 Budget Trading Program (#7-559).

Commenter Information:

Edward White
(Efwhite.ew@icloud.com)
842 Rebecca Lane
Orefield, PA 18069 US

Comments entered:

Introducing a Carbon Tax will have a negative impact on low earners and give those who are financially able another reason to leave. The current tax structure for fracking is working and helping the state and the country be energy independent. I oppose this rule.

No attachments were included as part of this comment.

Please contact me if you have any questions.

Sincerely,
Jessica Shirley
