Lancaster, PA 17601 US

Comments entered:

I SUPPORT the state's initiative to join the Regional Greenhouse Gas Initiative (RGGI)...we need to take meaningful steps to curb Co2 emissions as quickly as possible. I do not agree with the party line rhetoric that RGGI will demonstrably increase consumer taxes. It is time for us to join the fray as a state that values the health of humans and the environment and take the steps to ensure that we protect them both.
