Re: eComment System

The Department of Environmental Protection has received the following comments on Proposed Rulemaking: CO2 Budget Trading Program (#7-559).

Commenter Information:

Ryan Yeaglin
(trucken72@comcast.net)
568 N Holly Street
Elizabethtown, PA 17022 US

Comments entered:

I as a tax payer and a voter DO NOT support this proposed bill. This is another grand dream of the left. While I don't support ruining our earth, we have government programs in place such as the EPA and DEP to control pollution already. I am tired of being the over taxed working class, while people such as Governor Wolf and his far left agenda make me pay more and put a lot of hard working Pennsylvanians out of work with his policies.
