**Re: eComment System**

The Department of Environmental Protection has received the following comments on Proposed Rulemaking: CO2 Budget Trading Program (#7-559).

Commenter Information:

Abram Frank
(lonemudslinger00@gmail.com)
1814 Carrolls Tract Rd
Orrtanna, PA 17353 US

Comments entered:

I am in complete opposition of this bill being passed. The proven way to reduce greenhouse gases is to have more forests with mature trees to process the gases. So instead of taxing us citizens of the state for greenhouse gases, pass a bill that reduces wasteful timbering for stupid housing

No attachments were included as part of this comment.

Please contact me if you have any questions.

Sincerely,
Jessica Shirley
