**Re: eComment System**

The Department of Environmental Protection has received the following comments on Proposed Rulemaking: CO2 Budget Trading Program (#7-559).

Commenter Information:

Anthony Sasso

Comments entered:

I don't want Pa. to join the RGGI as it will devastate the economy . In fact you should be requiring all cars to run on natural gas rather than oil if you are really concerned about curbing CO2 emissions and other pollutants. Sincerely Anthony Sasso
