Schuylkill Haven, PA 17972 US

Comments entered:

The residents of Pennsylvania are already paying an exorbitant amount of taxes, with little to show for it. We as citizens do not need to pay more for our utilities as well for a meaningless program with no proven results, and which will make no impact on a planet which is in a normal warming cycle. Let the people keep the money they have earned, and be allowed to utilize it for their own wishes as stated in the Constitution of the United States.

No attachments were included as part of this comment.

Please contact me if you have any questions.

Sincerely,
Jessica Shirley
