Comments entered:

Will electric companies pass the costs to their customers? If so, where in the world will we get the extra money to pay for a higher electric bill? Many senior citizens, (me) are on an extremely tight budget and cannot afford higher electric bills. Every time we turn around PA is passing more regulations that take money from my purse. Sick and tired of it.

No attachments were included as part of this comment.

Please contact me if you have any questions.

Sincerely,
Jessica Shirley
