Re: eComment System

The Department of Environmental Protection has received the following comments on Proposed Rulemaking: CO2 Budget Trading Program (#7-559).

Commenter Information:

Lisa Maust
(chrlism5210@reagan.com)
9 Commerce St.
Avella, PA 15312 US

Comments entered:

Stop Wolf and any of his administration from ruining businesses and citizens energy lifestyle. No to any more taxes! Reduce pay by 25% to Governor, his administration and let them go without income for the same length of time that was forced on small businesses in Pennsylvania. We should not become like California and buy energy from another state. Energy independence for Pennsylvania and this United States of America!!!

No attachments were included as part of this comment.

Please contact me if you have any questions.

Sincerely,
Jessica Shirley
