Pittsburgh, PA 15217 US

Comments entered:

Climate change has become a crisis and international emergency. I believe it is vital that Pennsylvania join the Regional Greenhouse Gas Initiative immediately. All possible tools should be used to change the dangerous course our unbridled pollution is leading us on. The RGGI is one way we can work to avert continued damage to our environment.

No attachments were included as part of this comment.

Please contact me if you have any questions.

Sincerely,
Jessica Shirley
