Re: eComment System

The Department of Environmental Protection has received the following comments on Proposed Rulemaking: CO2 Budget Trading Program (#7-559).

Commenter Information:

Suzanne Crilley
(sjcrilley@verizon.net)

Carversville, PA US

Comments entered:

As a life-long registered Republican I see very little in the Party that I can relate to these days. What reasons can the Republicans in the State Legislature possibly have for blocking DEP from joining RGGI? It's insane. Not only that, it's stupid.

In support of PA giving up it's rank as fourth largest producer of carbon emissions in the nation,
Suzanne Crilley
