Roscoe, PA 15477 US

Comments entered:

It is past time this state does something about greenhouse gas. Pa has given the coal industry a pass for 50+ years. It is time fossil fuel industries move in to the 21st century or be eliminated. It is also time for our lawmakers to follow suit with fossil fuel industries (move into the 21st century or be eliminated).

No attachments were included as part of this comment.

Please contact me if you have any questions.

Sincerely,
Jessica Shirley
