, PA US

Comments entered:

No we need the power plantar to provide power otherwise it will be second party & price will sky rocket !!!! I'd rather have the power plants!!!!

No RGGI like a second part for power & power plants r better than any other source & people losing jobs !!! Price of power will increase & b longer to recoup when power outages!!!! Power plants r a lot better & guaranteed a lot less problems !!!!!NO THANK YOU !!!!!

No attachments were included as part of this comment.

Please contact me if you have any questions.

Sincerely,
 Jessica Shirley
